# THE HIGH AND LOW!\*

*A truly revolutionary concept  
in medicine cabinet design.*

*Offered in a variety  
of cabinet styles.*

**When seated at the vanity, a touch  
of your finger lowers the mirror  
down to most convenient height.**

The contents of this cabinet stay concealed,  
with mirror up or down, yet contents of cabi-  
net remains accessible with mirror in any  
position.

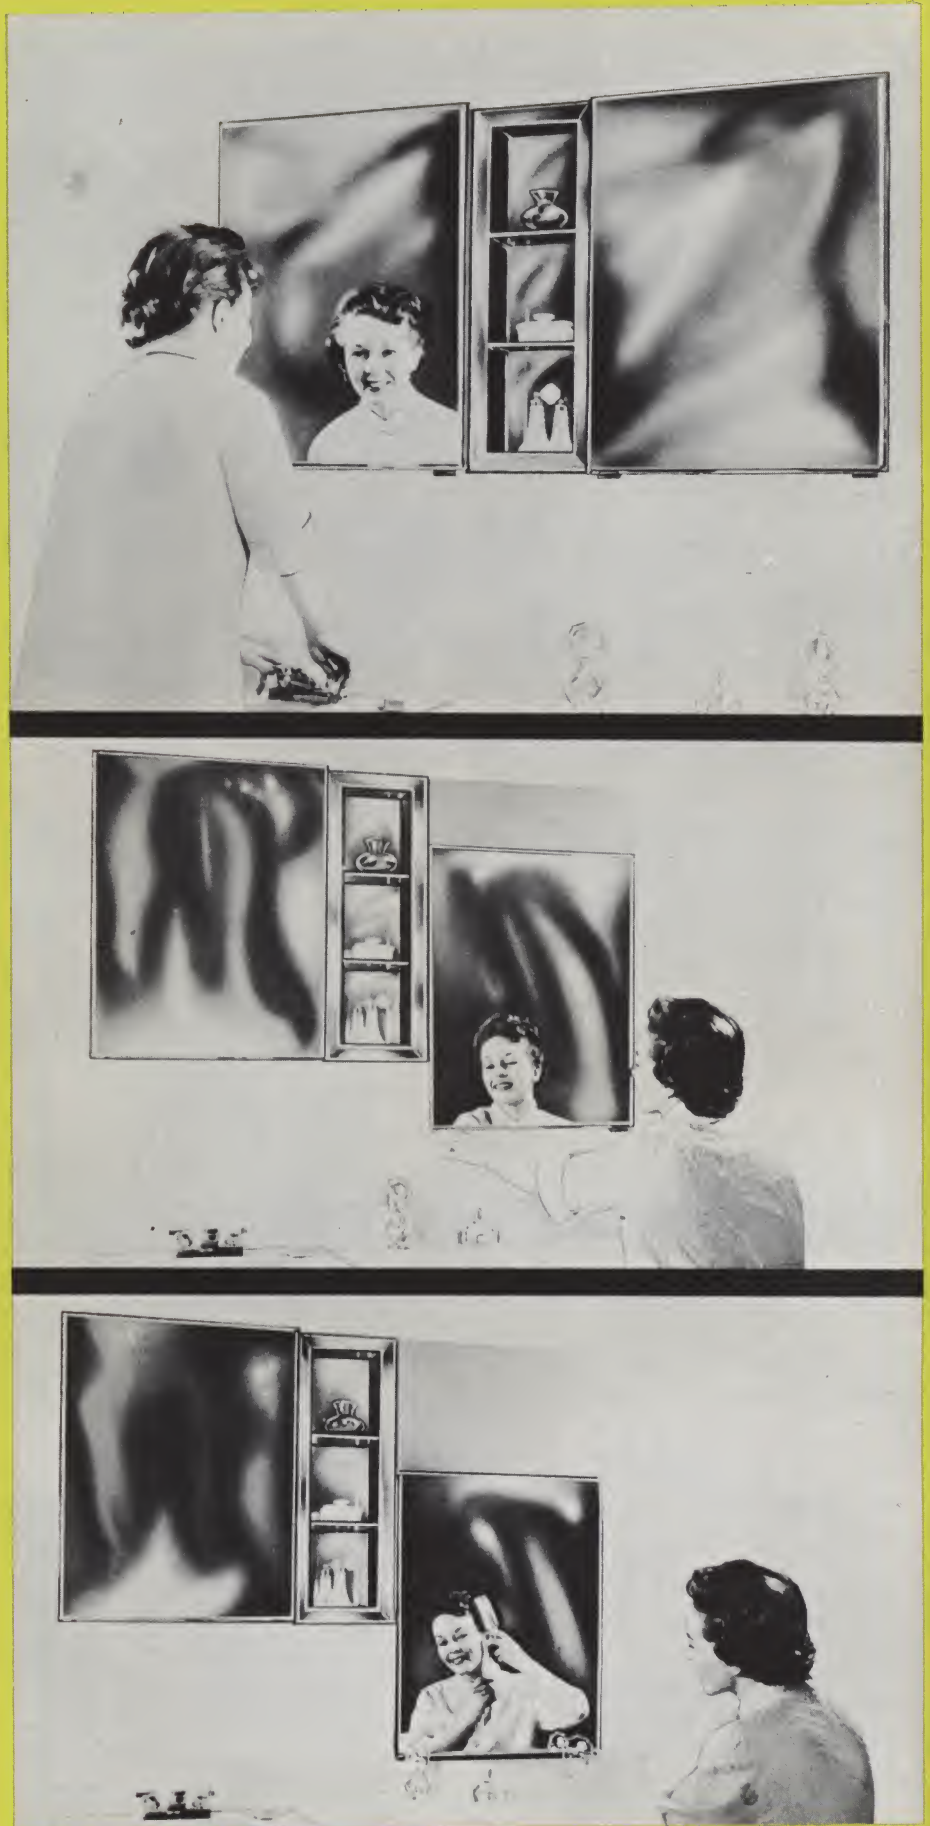

Available on single hinged door unlighted  
cabinets — Nos. C-102, C-109B, C-110,  
C-112, C-115 and C-116.

## INSTALL ALONE OR WITH OTHER UNITS

Illustration shows three piece  
ensemble consisting of C-109B cabinet with  
High and Low feature, on  
the right, combined with standard  
C-109B and RS-309.

For illumination, use valance light in size and  
design to suit the individual application.

\*Pat. Pend.

Cabinets with High and Low feature are fur-  
nished with flat flanges, therefore  $\frac{3}{4}$ " greater  
wall opening depth than standard cabinets  
is required.

*surface bathroom accessories  
gleaming chromium on solid brass*

A perfect complement to the luxurious styling of Marchand cabinets. Simplicity and grace, with clean lines which blend with any decorative scheme.

Heavy brass forgings are used on projecting parts. Heavy wall brass tubing is used for bars. Recessed accessories are of drawn solid brass.

For maximum strength and durability, even the concealed wall mounting plates are heavy brass forgings. No diecast parts are used with Marchand quality products.

Standard finish is POLISHED CHROMIUM. Optical finishes include SATIN CHROMIUM, POLISHED BRASS and SATIN BRASS.
